

Recycling Improvements Coming Soon!

**Material Sorting Changes
Will Come Into
Effect January 1, 2022**

What is the Resource Recovery & Circular Economy Act, 2016 and how does it affect you?

- The vision of the legislation is a waste free future.
- By encouraging innovation through producer responsibility, we are protecting the environment & reducing waste.

What is Circular Economy?

- Ontario is shifting from linear economy where natural resources are extracted, manufactured into products, consumed and then thrown away.
- In a circular economy, products and packaging are designed to minimize waste and then be recovered, reused, recycled and integrated back into production.

An Example: Tires

- On January 1st 2019, tire producers moved to the individual producer responsibility framework.
- The Township of Nipissing Landfill No Longer Accepts Tires.

The Township of Nipissing participates in programs to divert many materials from our landfill, such as:

- Textiles
- Electronics
- Scrap Steel
- Blue Box (Recycled) Materials including Plastics 1-7, Cardboard & Aluminum/Tin
- Household Hazardous Waste (City of North Bay HHW Depot)

Stewardship Ontario uses the Municipal Funding Allocation Model to provide payments to the Township to help cover the costs of the recycling services based on the amounts diverted from the landfills.

Sorting is the best way to help keep costs low. The more accurate the loads and weights, the better for everyone.

Sorting Your Recycling

- **Paper; Paperboard & Cardboard:** Magazines, Newspaper, Catalogs, White/Colored Paper, Phone Books, Letters & Flyers, Dry Food Boxes Such As Cereal, Cake Mix, Cracker, Pop, Beer, Clean Pizza Boxes, Shoe/Shirt Boxes. Frozen Food Paper Board, Milk Cartons & Juice Boxes Accepted.
- **Plastic:** All Plastics # 1 thru # 7. These Include All Soda or Detergent Bottles, Water & Shampoo Bottles, Milk Jugs, Empty Oil Jugs, Yogurt Containers, Other Plastic Food Containers.
- **Steel & Aluminum:** Steel, *Tin & Aluminum Cans*

NEW* Please Sort Cans Into Steel Bin

Electronics Recycling Program:

(Electronics Products Recycling Association) The Township of Nipissing participates in a program where used and unwanted electronics including computers, televisions and cell phones are collected and recycled!

The Electronics Products Recycling Association (EPRA)

Accepts The Following Items:

- Computer Monitors
- Photocopiers
- Printers
- Desk Top Computers
- Pagers & Much More!
- Keyboards
- Televisions
- Scanners & Old Fax Machines
- Portable Computers

**Look For The Brown Containers
Located At Each Landfill!**

**The Bins Will Be Arranged Around The Walkway With
More Options For Products!**

**Thank You For Helping Us Improve Our Landfills &
Extending The Life Of Our Landfills!**

**Don't Forget the "Bottle
Drive" Program Accepting
Any Empty Beer & Spirits
Containers. All Money
Collected From This Program
Goes To Local Youth & Family
Recreation.**

**Textile Bins Are
Supplied By Diabetes
Canada At Each
Landfill Site.**
