The Gift Shop & Office

Start you tour of the museum at the Gift Shop & Office!
Guided tours are offered by donation.

The gift shop stocks a variety of retro candies, frozen yogurt & cold drinks.

The Church Building

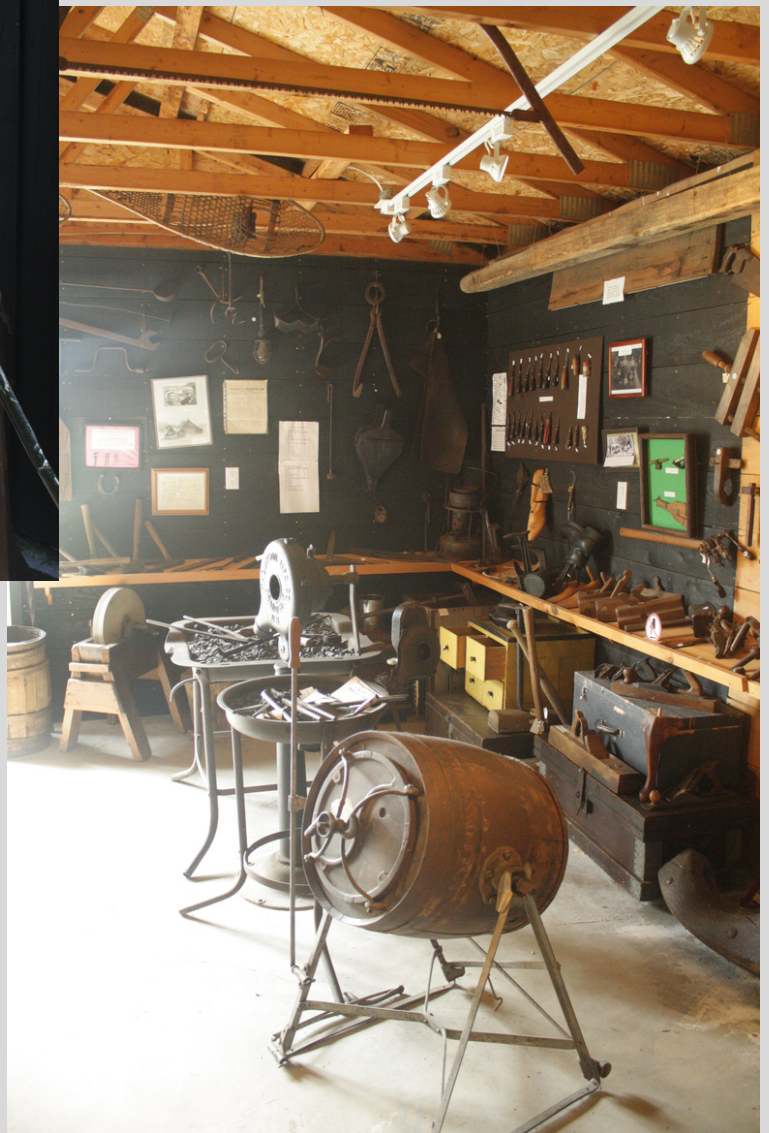

This building was originally built in 1882 as a Methodist Church. It later became an Anglican Church for a number of years. It finally became the Nipissing Township Museum's main display building in the early 1970s.

The Hardware Store

This building displays many of the artifacts associated with skilled trades such as blacksmithing, carpentry, and logging.

The Gazebo

The gazebo was built in 2019 and provides a lovely spot for a picnic day or night!
