Dear Mr. Mayor and members of Council,

It is with great pleasure that I once again put my name forward for consideration to join the Township of Nipissing's Council. Failing twice before, including a tie breaking pull from the hat loss to Councilor Kirkey, I truly hope the third time's the charm.

I have several reasons for continuing to pursue this role, as I believe I will offer a new perspective, insatiable curiosity, and a desire to help set the direction of the community that I expect to be part of for decades to come.

I think my relative youth, experience working remotely here in Nipissing for a technology company, multi-generational family ties to the community, along with actively farming here - offers me the perfect blend of experience for a community that wants "life the way it should be". With an ever creeping northern migration due to housing prices and changing economy impacting our region, I believe I am perfectly suited to help solve issues that may arise as a result in our community.

I look forward to speaking with you all on May 9th, with more about what I can bring to the council table.

Sincerely,

Chris Johnston
